

NEW OFFICE ADDRESS AND DIRECTIONS

Crossroads Gardens, Ste 210-C.
Boulder, CO

Hello, All,

I have just moved my practice to the Crossroads Gardens office building in central Boulder, but if you don't already know where this is, please read these directions. Although the address, 1800 30th St., sounds straightforward, it really isn't, because the building is NOT directly on 30th. The Crossroads Office building is actually EAST of 30th; accessed from a section of 30th that is between Pearl and Arapahoe. So if you are going south on Pearl it will be on your left (and there is a left-hand turn lane), and if you are coming North it will be on your right. Look for a turn-in that you can take towards a tall sandstone-colored building labelled "Sussex One." Head toward this building, and as you go past it, there will be a large sign in front of the next building that says "Crossroads Gardens." Follow the sign that says "visitors entrance" which leads into a parking garage. The entrance to the building is from the center of the parking garage, and you can take the elevator or walk up the stairs to the second floor. As you step out, you will see a Zen garden in front of you. Go towards the "dragons" and enter the door marked 209/210.

Walk past the main desk, straight down the hall through "210" and turn rt to Ste C.

It's easy once you have done it the first time. See you there!
